Agenda No. - 02

Issuance of the Letters of Consent for the continuing courses of B.Sc. Nursing for an annual intake from 80 (Eighty) seats and M.Sc. Nursing for an annual intake of 20 (Twenty) seats.

It was submitted by the Dean Faculty of Nursing that since the T. S. Misra College of Nursing is now a constituent college of the T. S. Mishra University; a formal LOC would be required for the continuing courses of B.Sc. Nursing and M.Sc. Nursing for the current academic year, since new batches would be enrolled in the T.S. Mishra University. This being a formal agenda, on account of the courses being ongoing, it was approved and the Registrar was directed to issue the LOC for the said courses.

Agenda No.-3

Change of name of the T. S. Misra College of Nursing and Paramedical to T. S Misra College of Pharmacy.

It was brought to the notice of the Academic Council that the course of D. Pharm is being conducted by the T. S Mishra College of Nursing and Paramedical. The name of the College was erroneously mentioned while applying for the said course with The Pharmacy Council of India. It was held that such nomenclature does not convey the nature of the academic programs and courses being offered by the College which is the conduct of courses relating to Pharmacy. Therefore it was decided that said College be renamed as T. S Misra College of Pharmacy. The Principal should initiate steps for correction of records and documents in this regard; he should also apply to The Pharmacy Council of India for correction of the name of the College.

Agenda No. - 04

Starting a new course of B. Pharm with annual intake of 100 seats.

It was informed that the Board of Faculty has passed a resolution to start new course of B. Pharm with annual intake of 100 seats. There is an increasing

Agenda No. - 05

Concept Papers of the Policy Research Unit (PRU) regarding establishing a Law School.

The Registrar informed that Concept Paper has been received in the Office of the Vice Chancellor which was enclosed and sent to the members along with notice of the meeting. It was discussed that there is sufficient justification and viability for the Law School to be established more so because the University has been named after and as a tribute the legal stalwart the Late Justice T. S Misra. It would be extremely desirable to establish the Law School with an annual intake of 120 students and name it The T. S. Misra Law School. It was further decided that since this would involve substantial financial outlays, the matter be referred for approval of the Chancellor after consideration of the Executive Council.

Agenda No. - 06

Concept Paper of the PRU regarding School for Business Management

The Concept Paper was taken up for discussion. It was agreed that Management Education has undergone substantial changes in view of factors such as new technologies, globalization and economies becoming increasingly knowledge and services based.
