FIRST TIME GLOBAL FINANCE EDUCATION IN LUCKNOW

B.Com (Hons.) Financial Analysis

Integrated
with:

CFA

The Gold Standard in Investment & Finance. Now at Your Doorstep.

An undergraduate programme designed for global careers in investment banking, equity research and asset management.

PROGRAMME OVERVIEW

T.S. Mishra University B.Com (Hons.) with CFA is a three-year undergraduate programme built in partnership with **Agathen Learning** – combining a rigorous commerce foundation with the globally respected CFA curriculum.

Across six semesters, students go deep on accounting, economics, business law and financial principles while simultaneously building mastery in investment analysis, portfolio management, ethics, and quantitative methods. No parallel prep. No split focus. One integrated programme designed for seamless CFA charterholder preparation.

The result: CFA Level 1 readiness at graduation – unlocking immediate access to high-demand roles in investment banking, equity research, and asset management at the world's top employers .

Programme Duration: 3 Years (6 Semesters)

WHY CHOOSE CFA?

The CFA designation is the most respected and recognised investment management credential in the world. Here is why it matters for your students:

Global Gold Standard

Recognised across 165+ countries, the CFA charter elevates credibility with top employers like JPMorgan, BlackRock, Goldman Sachs, and leading asset management and consulting firms.

Career Acceleration

Opens doors to high-demand roles – portfolio managers, equity research analysts, risk managers, and financial consultants – with faster promotions and versatility across equity, fixed income, hedge funds, and wealth management.

Superior Earnings

CFA charterholders command 57% higher salaries than non-holders. Level I passers see an average 32% salary boost, with freshers in India earning ₹6-10 LPA plus bonuses and stock options.

Comprehensive Expertise

Delivers graduate-level mastery in investment analysis, portfolio management, ethics, financial modelling, and quantitative tools – providing a strong foundation for independent practice or launching firms.

Networking Power

Access to a global alumni network and CFA Institute resources for ongoing professional growth and global career connections.

PROGRAMME HIGHLIGHTS

B.Com with CFA is not a standard undergraduate degree. It is a fully integrated, semester-based programme built to the exacting standards of the CFA curriculum and designed to produce investment-ready graduates from day one.

100% CFA Subject Integration

CFA content embedded across all six semesters. No parallel prep. No split focus.

Level 1 Mastery. Level 2 Head Start.

Complete handholding through CFA Level 1, with Level 2 concepts introduced before graduation.

Pre-Examination Test Series

Structured mock exams and performance tracking built into the programme calendar.

Zero Additional Tutoring Charges

CFA coaching is included. What you pay is what you pay.

Industry Faculty Only

Taught exclusively by faculty with active industry experience. Professors of practice, not just academia.

Experiential & Hands-On Learning

Case studies, live projects, and industry simulations that build real competency, not just exam scores.

Embedded Internships

Industry exposure built into the programme, not bolted on at the end.

Dedicated Placement Support

Institutional backing from both TSMU and Agathen Learning for career outcomes.

CURRICULUM STRUCTURE

The B.Com (Hons.) with CFA at T. S. Mishra Univeristy is built around one principle: by the time a student graduates, they are not just degree-holders— they are CFA-ready investment professionals.

Every semester is designed to advance both the B.Com degree and CFA charter preparation simultaneously. No detours. No redundancy. One cohesive academic journey.

100% CFA-Embedded Syllabus

The entire curriculum is structured around the CFA Institute's framework covering investment analysis, portfolio management, financial reporting, ethics, quantitative methods, and alternative investments. Students build charterholder-grade competency within the degree itself, not alongside it.

International Recognition

The CFA charter is recognised across 165+ countries and is the benchmark credential at the world's leading investment banks, asset managers, and financial institutions including JPMorgan, BlackRock, Goldman Sachs, and Morgan Stanley.

Global Career Outcomes

Graduates are positioned for immediate entry into high-demand roles across investment banking, equity research, asset management, risk management, and financial consulting at both Indian and global institutions.

Key Subjects

Quantitative Methods | Financial Statement Analysis | Corporate Issuers | Equity Investments | Fixed Income | Derivatives | Alternative Investments | Portfolio Management

PROGRAMME DELIVERY

The B.Com (Hons.) with CFA covers the full CFA Level 1 curriculum across three years – in depth, not in passing. Level 2 concepts are introduced alongside, giving graduates a meaningful head start on the charter pathway. The entire degree is integrated with CFA and not parallel to it with additional grounding in finance, data analysis and data visualisation built in throughout.

Graduates from T.S. Mishra University are trained to be industry-ready across a wide range of roles from accounting and taxation to investment banking, research, and global finance. B.Com with CFA students are specifically equipped for the advanced demands of international finance and investment management, prepared to operate at the intersection of business decision-making, corporate compliance, and global markets.

THE LEARNING EXPERIENCE

Learning at TSMU goes beyond the lecture hall. Every method is chosen to build practical competency alongside academic rigour.

- ★ Interactive lectures and structured case studies
- ★ Guest lectures and live industry insights
- ★ Workshops, seminars, and professional certification support
- ★ Hackathons with live industry problems
- ★ Consultancy projects and research assignments
- ★ Industry summits, invited lectures, and minors/specialisations
- ★ Internships and hands-on practical experience
- ★ Technology integration across subjects
- ★ Continuous assessment throughout each semester

SKILL-BASED CERTIFICATION COURSES

In addition to the core curriculum, students are retrained in the following industry-critical tools:

Advanced Excel

Financial Modelling

Python for Finance

Commodity Markets

Actuarial Science

Export & Import Documentation

Aptitude Skill Development

PLACEMENT & CAREER ASSISTANCE

Placements are not an after thought at T.S. Mishra University. They are built into the programme from Semester I –with structured support delivered jointly by TSMU and Agathen Learning through a centralised placement cell.

Resume Building & Interview Workshops

From the first semester, students receive hands-on training in resume writing, interview skills, and professional communication so they arrive at campus placements ready, not scrambling.

Mock Interviews

Industry experts conduct dedicated mock interview sessions with structured feedback – building confidence and sharpening technique before the real thing.

Alumni Network

Graduates plug into an active alumni network spanning investment banking, asset management, and global finance – providing mentorship, referrals, and real career connections.

CFA Exam Support

Dedicated CFA Level 1 preparation support is built into the programme – study materials, practice exams, pre-examination test series, and faculty guidance included.

Internship Facilitation

The programme connects students with leading organisations for structured internships – applying classroom knowledge to real industry environments and building connections before graduation.

Career Counselling

Personalised career counselling helps students identify their strengths and align their ambitions with the right opportunities – so every graduate has a direction, not just a degree.
